

Wanted: Research Participants

The NB Social Pediatrics Research Program is seeking research participants for a number of different studies.

Help us to improve the care we provide in our community and clinics by participating in research.

No special skills or knowledge are required.

For more information, please contact Sarah Campbell at (506) 648-7890 or by email at Sarah.Campbell@Horizonnb.ca

OR

Complete the following and return it to your doctor or their receptionist.
